Ted—It was good meeting you and Claire on Tuesday. Thank you for the presentation. Frontier is continuing its search for records responsive to EPA's request, but it will take more time to find and assemble them. I would respectfully request an extension until after the holidays, and I would suggest Jan. 8 as the new deadline. Hopefully we will receive EPA's response to our pending FOIA in the meantime, and those records could help guide our search. I am happy to discuss the site issues at any time. Best, John

Ted—I left you a voicemail on this issue today. I am counsel for Frontier Communications and am in receipt of the information request dated Sept. 15, 2015 and addressed to Mark Nielsen. I would respectfully request a 30-day extension to respond to the request(to Nov. 16). Frontier no longer owns the Honolulu gas company at issue in the request, and it will take me a while to identify responsive records and information. Please give me a call at your convenience. Best, John
